REQUEST FOR COMMENTS – NJ PORT ACCESS ROUTE STUDY

The Coast Guard is seeking comments from the public regarding the New Jersey Port Access Route Study (PARS). On May 5, 2020, the Coast Guard published a notice of study and request for comments (85 FR 26695), announcing a PARS for the Seacoast of New Jersey Including Offshore Approaches to the Delaware Bay, Delaware. This notice announces the availability of a draft report for public review and comment. We seek your comments on the content, proposed routing measures, and development of the report. The recommendations of the study may lead to future rulemakings or appropriate international agreements.

Mariners are encouraged to visit the Federal e-Rulemaking Portal by scanning the QR code below or visiting <http://www.regulations.gov> and searching for docket number USCG-2020-0172 to view each document related to this proposed change.

The direct link to the comment section of this docket is <https://www.regulations.gov/commenton/USCG-2020-0172-0042>.

Comments must be submitted on or before October 25, 2021.

Any questions related to this bulletin can be submitted to Sector Delaware Bay's Waterways Management Division at the following email address: DelawareBayWWM@uscg.mil.
